SUMMARY

I have over two years of experience in frontend development and 4 years experience in graphic design, UI / UX and intermediate knowledge of HTML, CSS, JavaScript, Responsive design and design system, with my background in design I can create beautiful intuitive designs with the user in mind.

WORK EXPERIENCE

MR-SOFT - Frontend Developer Intern

March 2022 - September 2022

I worked as intern at MR-SOFT, I assisted on the frontend side of projects. I was also an instructor during the companies yearly teenage bootcamp, I was assigned to teach vanilla HTML and CSS to students and also graphic design using Adobe Photoshop.

EDUCATION

POLY STAFF COLLEGE - High school

September 2016 - July 2019

As a student at Poly Staff College, I was the head of Mathematics Club in my final year, which helped me study better and also improve my leadership qualities. I was also the assistant hostel prefect, I held tutorials for the students in the hostel.

JOSEPH AYO BABALOLA UNIVERSITY - Computer Science

October 2022 - Present

As a Computer Science student of Joseph Ayo Babalola University, I am in my second year steadily acquiring knowledge which I will use in the real world.
